### Announcements

**Last Thursday, many of you missed a great event.** Michael Griffin, one of your favorite presenters, began our Winter Quarterly Alumni meetings with a talk that was typical Michael-thoughtful, introspective, intriguing and entertaining. We had a great turnout of LNI alumni who stayed well past our quitting time.

**Have you paid your 2011 LNI Alumni dues?** Remember, beginning in February, only paid alumni will receive our weekly emails, notification of key events, access to alumni information and discounts. Do it RIGHT NOW! [click here](#) and make it happen.

**Did you see our LNI29 congratulatory ad** in this past Monday’s Times. Thanks to our partner, The Times Media Company.

**The value of networking cannot be underestimated!** Our graduates say that one of the top three benefits of LNI is the people you meet. At graduation I hear “I am going to stay in touch with all of you!” Did you think or say that? More importantly, are you doing it? Attend one of our highlighted events and look for your classmates and meet other LNI alumni. Wear your pin.

## Opportunities

This section of our email blast is for you to post and peruse leadership roles in Northwest Indiana. Please use this section for the benefit of your organization and or your fellow alumni.

Boards of Directors: Looking for a board or committee member for an organization in which you are involved. Some of the best and freshest talent is in LNI.

Project Help or Volunteers Needed: Does one of your causes or groups where you are active need some assistance with a special project or some extra helpers for an event.

Career Opportunities: Is there an opening in your company for a strong leader? Are you aware of an interesting position that may appeal to one of our alumni?

Invite your fellow alumni to opportunities that make NW Indiana a better place to live! Send news of these opportunities to [LNI](#) and we will share it with NW Indiana's greatest leaders.

## In the News

Robert Crookston, Sr. VP, Microbac Laboratories, (LNI25) was appointed to the NWI Forum Board of Directors.

We are **always looking for news and events** that fit the needs of our LNI alumni. Submit yours to [LNI](#) or call us at 219-531-0156.
